MORE AS STANDARD

DIRECTFLOW™ TECHNOLOGY

Target individual tension areas with the innovative, patented DIRECTFLOW™ system, exclusive to the Elite class. Featuring two zones, each equipped with a DIRECTFLOW™ personal control panel. This includes an on/off switch, jet air control, and Variable Flow Control™ (VFC), akin to a dimmer switch, to fine-tune your hydrotherapy experience.

ELITE AMBIANCE

Transform your evenings with the Elite's luxury lighting package. The beautifully illuminated valve handles and glowing exterior corners create a sleek, modern ambiance, turning your hot tub into a stunning night time retreat.

A MESSAGE LIKE NO OTHER

When you chose to relax in our Luxury tier you can expect a full body massage experience. Our Luxury spas take jet massage to a new level with hip, wrist, back and foot jets for a full body experience.

ULTIMATE POWER

With the addition of an extra pump, this powerful and customisable system delivers the perfect flow rate for a truly invigorating hydrotherapy massage. Sit back and relax as the tension unwinds, leaving you in a state of serenity.

SOOTHE YOUR SOLES

Experience a deep tissue massage that stimulates reflexology points, enhancing relaxation and overall well-being. You can say goodbye to foot fatigue and hello to pure comfort as these Footblasters deliver a spa-like experience right at home.

TARGETED HYDROTHERAPY

Experience a truly remarkable hydro-massage with Island Spas' patented Helix™ jet design. Our Island Spas feature a wide variety of jets, including our cutting-edge H2O Powerflow, Helix™, Hydro Extreme, and specialised neck and shoulder jets, for a remarkable hydrotherapy experience.

CALMING WATER FEATURES

Our Cascade Fall creates a gentle descent of water, filling your spa with soothing sounds that melt away stress. Why not take your relaxation to the next level with the Pillowfall upgrade and let a soft, warm stream massage your neck and shoulders, releasing tension with every gentle flow.

ENERGY EFFICIENCY

Experience the perfect blend of luxury and efficiency in our Island Spas range. With our premium Full Foam insulation that locks in heat, paired with our robust Deluxe Thermal Shield Cover for maximum energy efficiency, you can enjoy a luxurious spa experience that's both cost-effective and kind to the planet.

Island Spas™

WITH SEEMINGLY UNLIMITED FEATURES AND OPTIONS, EACH ISLAND SPA IS DESIGNED WITH YOUR BODY IN MIND.

Embark on a journey to ultimate relaxation with our **NEW** Island Spas collection. Begin by defining your space with the perfect size and seating configuration, then personalise your experience by choosing from our **ESSENTIAL**, **LUXURY**, or **ELITE** trim levels. Each package is designed to offer a unique balance of features, guiding you from relaxing Essentials to a truly indulgent Elite spa experience.

EFFORTLESS CONTROL

Experience effortless control from your hot tub seat with our user-friendly Turn-N-Press keypad. Our new topside is the most convenient way to control your hot tub. Featuring a dial ring design, it's fun to use, and its universal size makes it easy for anyone to take control, big hands or small.

ADVANCED SPA-FROG SYSTEMS

This breakthrough system in water-care can be added to your spa to provide cleaner, clearer and softer spa water that's far easier to maintain. The system automatically dispenses the bromine and water conditioner granules to your spa water. Simply replace the bromine and water conditioning cartridges when required.

PREMIUM AUDIO SYSTEM

Elevate your relaxation with the optional Bluetooth Audio upgrade, seamlessly integrated into your hot tub. The innovative transducer system transforms the tub into a powerful, immersive speaker, delivering a premium audio experience without compromising its sleek design.

SANITATION MADE SIMPLE

Take full control of your spa with our optional app-based upgrade, powered by Wi-Fi for seamless connectivity. Whether you're preparing your spa on the way home or checking in from elsewhere, enjoy the convenience of managing your spa anytime, anywhere in the world.

PEACE OF MIND

Access to exact water measurement from anywhere without colour interpretation.

SIMPLE TO USE

No test strips needed—get easy instructions to maintain crystal-clear water directly from the app.

ALL-IN-ONE MOBILE APP

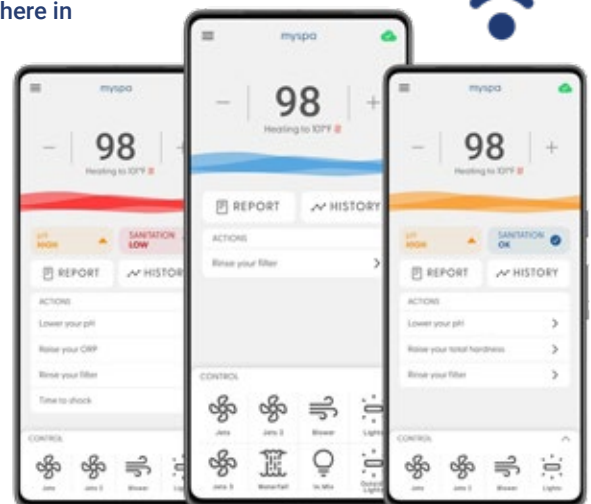

Stay in control of your spa with the app—receive notifications and manage settings from anywhere.

SET AND FORGET SOLUTION

Hands-free, durable and reliable performance.
